Item 1.01 Entry into a Definitive Material Agreement

As previously reported, on September 20, 2017, DelMar Pharmaceuticals, Inc. (the “Company”) entered into a Securities Purchase Agreement (the “Purchase Agreement”) with certain institutional investors pursuant to which the Company agreed, among other things, to issue warrants (the “Warrants”) to purchase up to an aggregate of 8,000,000 shares of the Company’s common stock, par value \$0.001 per share (the “Common Stock”), exercisable until September 22, 2022 at an exercise price of \$1.25 per share (the “Exercise Price”).

Warrant Exercise

On November 25, 2018, the Company entered into Warrant Exercise and Exchange Agreements (the “Warrant Exercise Agreements”) with certain holders (the “Exercising Holders”) of the Warrants. Pursuant to the Warrant Exercise Agreements, in order to induce the Exercising Holders to exercise the Warrants for cash, the Company agreed to reduce the Exercise Price from \$1.25 to \$0.40 per share. Pursuant to the Warrant Exercise Agreements, the Exercising Holders and the Company agreed that the Exercising Holders will exercise their Warrants with respect to an aggregate of 1,975,000 shares of Common Stock underlying such Warrants (the “Exercised Shares”). The Company expects to receive aggregate gross proceeds before expenses of approximately \$790,000 from the exercise of the Warrants.

The Warrants and the Exercised Shares were registered for sale pursuant to a registration statement on Form S-3 (File No. 333-213601), filed with the Securities and Exchange Commission (the “SEC”) under the Securities Act of 1933, as amended (the “Securities Act”), on September 13, 2016, which became effective on September 27, 2016, and the related prospectus supplement dated September 20, 2017, as supplemented by the prospectus supplement dated November 25, 2018.

Warrant Exchange

In addition, in order to further induce the Exercising Holders to exercise the Warrants, the Warrant Exercise Agreements also provide for the issuance of one share of Common Stock to the Exercising Holders in exchange for every three shares of Common Stock underlying Warrants held by the Exercising Holders that are not being exercised pursuant to the Warrant Exercise Agreements, if any. The Company expects to issue an aggregate of 991,667 shares of Common Stock in exchange for 2,975,000 exchanged Warrants (“Exchange Shares”), resulting in a 1,983,333 share reduction in the Company’s total shares of Common Stock outstanding on a fully-diluted basis. The Exchange Shares are being issued in a private placement exempt from registration pursuant to Section 4(a)(2) and Regulation D (Rule 506) of the Securities Act.

Pursuant to the Warrant Exercise Agreements, the Company agreed to use commercially reasonable efforts to file a registration statement on Form S-3 (or other appropriate form if the Company is not then S-3 eligible) with the SEC to register the resale of the Exchange Shares on the 30th day following the closing of the transactions contemplated by the Warrant Exercise Agreements (the “Closing Date”) and to cause such registration statement to become effective as soon as possible thereafter, but in no event prior to the 60th day following such closing, and to keep such registration statement effective at all times until the Exercising Holders do now own any Exchange Shares.

Company Lock-Up

Further, in order to induce the Exercising Holders to enter into the Warrant Exercise Agreements, the Company agreed that until the date that is 75 days after the Closing Date, it will not issue additional shares of Common Stock or Common Stock Equivalents (as defined in the Warrant Exercise Agreements), subject to certain exceptions, without the consent of a majority in interest of the Exercising Holders, measured as of November 25, 2018 and based on the amount of Warrants exercised for cash under the Warrant Exercise Agreements.

Leak-Out Agreements

In connection with the Warrant Exercise Agreements, the Company and each Exercising Holder entered into a leak-out agreement (a “Leak-Out Agreement”) pursuant to which each Exercising Holder agreed that until January 24, 2019 (the “Restricted Period”) each Exercising Holder, will not sell, dispose or otherwise transfer, directly or indirectly, on any trading day, any shares of Common Stock in an amount more than a specified percentage of the reported trading volume of the Common Stock for such trading day, subject to certain exceptions. The aggregate trading volume for all Exercising Holders who execute leak-out agreements will be 30% of the trading volume of the common stock during each trading day during the above-referenced leak-out period, subject to certain exceptions.

The foregoing description is qualified in its entirety by the terms of the Warrant Exercise Agreements and Leak-Out Agreements, forms of which are filed as Exhibits 10.1 and 10.2 hereto, respectively, and incorporated herein by reference.

Item 3.02 Unregistered Sales of Equity Securities

The description of the Warrant Exercise Agreements set forth under Item 1.01 is incorporated herein by reference.

In connection with the issuance of the Exchange Shares, the Company is relying on the exemption from registration afforded by Section 4(a)(2) and Regulation D (Rule 506) of the Securities Act, based on representations to the Company made by the Exercising Holders that they are “accredited investors” as such term is defined under Regulation D of the Securities Act. Until registered, the Exchange Shares are restricted and may not be offered or sold in the United States absent registration or availability of an applicable exemption from registration.

The Holder understands that the Shares are "restricted securities" and have not been registered under the Act or any applicable state securities law and is acquiring the Shares as principal for its own account and not with a view to, or for distributing or reselling such Shares or any part thereof in violation of the Act or any applicable state securities laws. The Holder is not purchasing the Shares as a result of any advertisement, article, notice or other communication regarding the Shares published in any newspaper, magazine or similar media or broadcast over television or radio or presented at any seminar or any other general advertisement.

ARTICLE IV MISCELLANEOUS

Section 4.1 Legends; Restricted Securities.

(a) The Holder understands that the Shares are not registered under the Act, or the securities laws of any state and, accordingly, each certificate, if any, representing such securities shall bear a legend substantially similar to the following:

"THIS SECURITY HAS NOT BEEN REGISTERED WITH THE SECURITIES AND EXCHANGE COMMISSION OR THE SECURITIES COMMISSION OF ANY STATE IN RELIANCE UPON AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR PURSUANT TO AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS. THIS SECURITY MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT WITH A REGISTERED BROKER-DEALER OR OTHER LOAN WITH A FINANCIAL INSTITUTION THAT IS AN "ACCREDITED INVESTOR" AS DEFINED IN RULE 501(a) UNDER THE SECURITIES ACT OR OTHER LOAN SECURED BY SUCH SECURITIES."

(b) Certificates evidencing Shares shall not contain any legend (including the legend set forth in Section 2.3(a) hereof), (i) while a registration statement covering the resale of such Common Stock is effective under the Act, (ii) following any sale of such Common Stock pursuant to Rule 144, (iii) if such Common Stock is eligible for sale under Rule 144, (iv) if such Common Stock may be sold under Rule 144, or (v) if such legend is not required under applicable requirements of the Act (including judicial interpretations and pronouncements issued by the staff of the Securities and Exchange Commission (the “Commission”) and such date, the “Delegend Date”). The Company shall cause its counsel to issue a legal opinion to the transfer agent promptly after the Delegend Date (as defined below) if required by the Company and/or the transfer agent to effect the removal of the legend hereunder, which opinion shall be in form and substance reasonably acceptable to the Holder. The Company agrees that following the Delegend Date or at such time as such legend is no longer required under this Section 2.3(b), it will, no later than two (2) Trading Days following the delivery by a Holder to the Company or the transfer agent of a certificate representing the Common Stock underlying the Shares issued with a restrictive legend (such third Trading Day, the “Legend Removal Date”), deliver or cause to be delivered to such Holder a certificate representing such shares that is free from all restrictive and other legends. The Company may not make any notation on its records or give instructions to the transfer agent that enlarge the restrictions on transfer set forth in this Section 2.3(b). Certificates for New Shares subject to legend removal hereunder shall be transmitted by the transfer agent to the Holder by crediting the account of the Holder’s prime broker with the Depository Trust Company System as directed by such Holder. In addition to such Holder’s other available remedies, the Company shall pay to a Holder, in cash, (i) as partial liquidated damages and not as a penalty, for each \$1,000 of Shares (based on the VWAP of the Common Stock on the date such Securities are submitted to the Transfer Agent) delivered for removal of the restrictive legend and subject to Section 2.3(b), \$10 per Trading Day (increasing to \$20 per Trading Day five (5) Trading Days after such damages have begun to accrue) for each Trading Day after the Legend Removal Date until such certificate is delivered without a legend and (ii) if the Company fails to (a) issue and deliver (or cause to be delivered) to a Holder by the Legend Removal Date a certificate representing the Securities so delivered to the Company by such Holder that is free from all restrictive and other legends and (b) if after the Legend Removal Date such Holder purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by such Holder of all or any portion of the number of shares of Common Stock, or a sale of a number of shares of Common Stock equal to all or any portion of the number of shares of Common Stock that such Holder anticipated receiving from the Company without any restrictive legend, then, an amount equal to the excess of such Holder’s total purchase price (including brokerage commissions and other out-of-pocket expenses, if any) for the shares of Common Stock so purchased (including brokerage commissions and other out-of-pocket expenses, if any) (the “Buy-In Price”) over the product of (A) such number of Shares that the Company was required to deliver to such Holder by the Legend Removal Date multiplied by (B) the lowest closing sale price of the Common Stock on any Trading Day during the period commencing on the date of the delivery by such Holder to the Company of the applicable Shares or Warrant Shares (as the case may be) and ending on the date of such delivery and payment under this clause (ii).

Section 4.2 Furnishing of Information; Public Information. Until the earlier of (i) the one (1) year anniversary of the Warrant Closing Date and (ii) sale by Holder of the Shares, the Company covenants to maintain the registration of the Common Stock under Section 12(b) or 12(g) of the Exchange Act and to timely file (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to the Exchange Act even if the Company is not then subject to the reporting requirements of the Exchange Act.

Section 4.3 Registration Rights. On, but not before, the 30th calendar day following the Warrant Closing Date (but not prior thereto), provided that such 30th calendar day is a business day and if not, the next business day, the Company shall use commercially reasonable efforts to file a registration statement on Form S-3 (or other appropriate form if the Company is not then S-3 eligible) providing for the resale by the Holders of the Shares. The Company shall use commercially reasonable efforts to cause such registration to become effective as soon as possible thereafter, but in no event prior to the 60th day following the Warrant Closing Date, and to keep such registration statement effective at all times until the Holder does not own any Shares.

Section 4.4 Subsequent Equity Sales. From the date hereof until 75 days after the Closing Date set forth in Section 2.1, neither the Company nor any subsidiary shall issue, enter into any agreement to issue or announce the issuance or proposed issuance of any shares of Common Stock or Common Stock Equivalents without the prior written consent of the Required Warrant Holders. “Required Warrant Holders” shall mean a majority in interest of the Warrant Holders as of the date hereof based on the amount of Warrants exercised for cash under this Agreement and the Other Agreements. As used herein “Common Stock Equivalents” means any securities of the Company or the Subsidiaries which would entitle the holder thereof to acquire at any time Common Stock, including, without limitation, any debt, preferred stock, right, option, warrant or other instrument that is at any time convertible into or exercisable or exchangeable for, or otherwise entitles the holder thereof to receive, Common Stock. As set used herein “Exempt Issuance” means the issuance of (a) shares of Common Stock or options to employees, independent contractors, vendors, officers or directors of the Company pursuant to any stock or option or similar plan duly adopted for such purpose, by a majority of the non-employee members of the Board of Directors or a majority of the members of a committee of non-employee directors established for such purpose for services rendered to the Company, (b) securities upon the exercise or exchange of or conversion of any securities issued hereunder and/or other securities exercisable or exchangeable for or convertible into shares of Common Stock issued and outstanding on the date of this Agreement, provided that such securities have not been amended since the date of this Agreement to increase the number of such securities or to decrease the exercise price, exchange price or conversion price of such securities (other than in connection with stock splits or combinations) or to extend the term of such securities, and (c) securities issued pursuant to acquisitions, strategic transactions or a transaction with vendors or other non-affiliated business partners approved by a majority of the disinterested directors of the Company, provided that any such issuance shall only be to a Person (or to the equityholders of a Person) which is, itself or through its subsidiaries, an operating company or an owner of an asset in a business synergistic with the business of the Company and shall provide to the Company additional benefits in addition to the investment of funds, but shall not include a transaction in which the Company is issuing securities primarily for the purpose of raising capital or to an entity whose primary business is investing in securities

Section 4.5 Filing of Form 8-K and Amendment to Registration Statement. Prior to 9:00 am ET on the Trading Day following the date hereof, the Company shall issue a Current Report on Form 8-K, reasonably acceptable to the Holder disclosing the material terms of the transactions contemplated hereby, which shall include this Agreement (the “8-K Filing”) thereby updating the prospectus included therein for the reduction in the exercise price of the Warrants. From and after the issuance of the 8-K Filing, the Company represents to the Holder that it shall not be in possession of any material, nonpublic information received from the Company, any of its Subsidiaries or any of their respective officers, directors, employees or agents, that is not disclosed in the 8-K Filing. In addition, effective upon the filing of the 8-K Filing, the Company acknowledges and agrees that any and all confidentiality or similar obligations under any agreement, whether written or oral, between the Company, any of its Subsidiaries or any of their respective officers, directors, affiliates, employees or agents, on the one hand, and the Holder or any of its affiliates, on the other hand, shall terminate. The Company shall not, and shall cause each of its Subsidiaries and its and each of their respective officers, directors, employees and agents, not to, provide the Holder with any material, nonpublic information regarding the Company or any of its Subsidiaries from and after the date hereof without the express prior written consent of the Holder. To the extent that the Company, any of its Subsidiaries or any of their respective officers, directors, employees or agents, delivers any material, non-public information to the Holder without such Holder’s consent, the Company hereby covenants and agrees that such Holder shall not have any duty of confidentiality with respect to, or a duty not to trade on the basis of, such material, non-public information.

Section 4.6 Listing of Common Stock. The Company hereby agrees to use its commercially reasonable efforts to maintain the listing or quotation of the Common Stock on the Trading Market on which it is currently listed, and concurrently with the Closing.

Section 4.7 Equal Treatment. The Company hereby represents and warrants as of the date hereof and covenants and agrees from and after the date hereof that none of the terms offered to any other holder of a Warrant, including without limitation any Other Holder with respect to exercise and/or exchange of the Warrants, including pursuant to any leak-out agreement, is or will be more favorable (or proportionally more favorable) to such Other Holder than those of the Holder and this Agreement. If, and whenever on or after the date hereof, the Company enters into any such agreement regarding a Warrant, then (i) the Company shall provide notice thereof to the Holder promptly following the occurrence thereof and (ii) the terms and conditions of this Agreement shall be, without any further action by the Holder or the Company, automatically amended and modified in an economically and legally equivalent manner such that the Holder shall receive the benefit of the more favorable terms and/or conditions (as the case may be) set forth in such other agreement, provided that upon written notice to the Company at any time the Holder may elect not to accept the benefit of any such amended or modified term or condition, in which event the term or condition contained in this Agreement shall apply to the Holder as it was in effect immediately prior to such amendment or modification as if such amendment or modification never occurred with respect to the Holder. The provisions of this paragraph shall apply similarly and equally to each such agreement regarding a Warrant.

Section 4.8 Notices. Any and all notices or other communications or deliveries required or permitted to be provided hereunder shall be made by email to the email address of Holders set forth on Holder’s signature page attached hereto.

Section 4.9 Survival. All warranties and representations (as of the date such warranties and representations were made) made herein or in any certificate or other instrument delivered by it or on its behalf under this Agreement shall be considered to have been relied upon by the parties hereto and shall survive the issuance of the Shares. This Agreement shall inure to the benefit of and be binding upon the successors and permitted assigns of each of the parties; provided however that no party may assign this Agreement or the obligations and rights of such party hereunder without the prior written consent of the other parties hereto.

Section 4.10 Execution. This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile signature page were an original thereof.

Section 4.11 Severability. If any provision of this Agreement is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Agreement shall not in any way be affected or impaired thereby and the parties will attempt to agree upon a valid and enforceable provision that is a reasonable substitute therefor, and upon so agreeing, shall incorporate such substitute provision in this Agreement.

Section 4.12 Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be determined pursuant to the Governing Law provision of the Warrant.

Section 4.13 Entire Agreement. The Agreement, together with the exhibits and schedules thereto, contain the entire understanding of the parties with respect to the subject matter hereof and supersede all prior agreements and understandings, oral or written, with respect to such matters, which the parties acknowledge have been merged into such documents, exhibits and schedules.

Section 4.14 Construction. The headings herein are for convenience only, do not constitute a part of this Agreement and shall not be deemed to limit or affect any of the provisions hereof. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party.

Section 4.15 Fees and Expenses. Unless otherwise agreed to by the Company and the Holder, each party shall pay the fees and expenses of its advisers, counsel, accountants and other experts, if any, and all other expenses incurred by such party incident to the negotiation, preparation, execution and delivery of this Agreement. LEAK-OUT AGREEMENT

November __, 2018

This agreement (the “**Leak-Out Agreement**”) is being delivered to you in connection with an understanding by and among DelMar Pharmaceuticals, Inc., a Nevada corporation (the “**Company**”), and the person or persons named on the signature pages hereto (collectively, the “**Holder**”).

Reference is hereby made to (a) the Warrant Exercise and Exchange Agreement, dated November __, 2018, by and among the Company, the Holder and other parties thereto (the “**Warrant Agreement**”), pursuant to which the Holder exercised certain Warrants to purchase shares of Common Stock and exchanged Warrants for shares of the Common Stock (collectively, the “**Shares**”). Capitalized terms not defined herein shall have the meaning as set forth in the Warrant Agreement.

The Holder agrees solely with the Company that from the date that both the undersigned executes the Warrant Agreement and the Company or its agent has notified the Holder that each other holder of the Warrants (each, an “**Other Holder**”) executes an agreement (collectively, the “**Other Leak-Out Agreements**”) regarding such Other Holder’s trading with terms that are no less restrictive than the terms contained herein (such date, the “**Effective Date**”) and ending at 4:00 pm (New York City time) on January __, 2019 (such period, the “**Restricted Period**”), neither the Holder, nor any Affiliate of such Holder which (x) had or has knowledge of the transactions contemplated by the Warrant Agreement, (y) has or shares discretion relating to such Holder’s investments or trading or information concerning such Holder’s investments, including in respect of the Shares, or (z) is subject to such Holder’s review or input concerning such Affiliate’s investments or trading (together, the “**Holder’s Trading Affiliates**”), collectively, shall sell dispose or otherwise transfer, directly or indirectly, (including, without limitation, any sales, short sales, swaps or any derivative transactions that would be equivalent to any sales or short positions) on any Trading Day during the Restricted Period (any such date, a “**Date of Determination**”), the Shares, in an amount more than __% of the trading volume of Common Stock as reported by Bloomberg, LP for the applicable Date of Determination; provided, that the foregoing restriction shall not apply to any sales by the Holder or any of the Holder’s Trading Affiliates at a price greater than \$1.25 (in each case, as adjusted for stock splits, stock dividends, stock combinations, recapitalizations or other similar events occurring after the date hereof).

Notwithstanding anything herein to the contrary, during the Restricted Period, the Holder may, directly or indirectly, sell or transfer all, or any part, of the Shares to any Person (an “**Assignee**”) in a transaction which does not need to be reported on the Nasdaq consolidated tape, without complying with (or otherwise limited by) the restrictions set forth in this Leak-Out Agreement; provided, that as a condition to any such sale or transfer an authorized signatory of the Company and such Assignee duly execute and deliver a leak-out agreement in the form of this Leak-Out Agreement (an “**Assignee Agreement**”, and each such transfer a “**Permitted Transfer**”) and, subsequent to a Permitted Transfer, sales of the Holder and the Holder’s Trading Affiliates and all Assignees (other than any such sales that constitute Permitted Transfers) shall be aggregated for all purposes of this Leak-Out Agreement and all Assignee Agreements.

Any notices, consents, waivers or other communications required or permitted to be given under the terms of this Leak-Out Agreement must be in writing and shall be given in accordance with the terms of the Warrant Agreement.

This Leak-Out Agreement constitutes the entire agreement among the parties hereto with respect to the subject matter hereof and supersedes all prior negotiations, letters and understandings relating to the subject matter hereof and are fully binding on the parties hereto.

This Leak-Out Agreement may be executed simultaneously in any number of counterparts. Each counterpart shall be deemed to be an original, and all such counterparts shall constitute one and the same instrument. This Leak-Out Agreement may be executed and accepted by facsimile or PDF signature and any such signature shall be of the same force and effect as an original signature.

The terms of this Leak-Out Agreement shall be binding upon and shall inure to the benefit of each of the parties hereto and their respective successors and assigns.

This Leak-Out Agreement may not be amended or modified except in writing signed by each of the parties hereto.

All questions concerning the construction, validity, enforcement and interpretation of this Leak-Out Agreement shall be governed by Article IV of the Warrant Agreement.

Each party hereto acknowledges that, in view of the uniqueness of the transactions contemplated by this Leak-Out Agreement, the other party or parties hereto may not have an adequate remedy at law for money damages in the event that this Leak-Out Agreement has not been performed in accordance with its terms, and therefore agrees that such other party or parties shall be entitled to seek specific enforcement of the terms hereof in addition to any other remedy it may seek, at law or in equity.

The obligations of the Holder under this Leak-Out Agreement are several and not joint with the obligations of any Other Holder, and the Holder shall not be responsible in any way for the performance of the obligations of any Other Holder under any such other agreement. Nothing contained herein or in this Leak-Out Agreement, and no action taken by the Holder pursuant hereto, shall be deemed to constitute the Holder and Other Holders as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Holder and the Other Holders are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by this Leak-Out Agreement and the Company acknowledges that the Holder and the Other Holders are not acting in concert or as a group with respect to such obligations or the transactions contemplated by this Leak-Out Agreement or any other agreement. The Company and the Holder confirm that the Holder has independently participated in the negotiation of the transactions contemplated hereby with the advice of its own counsel and advisors. The Holder shall be entitled to independently protect and enforce its rights, including, without limitation, the rights arising out of this Leak-Out Agreement, and it shall not be necessary for any Other Holder to be joined as an additional party in any proceeding for such purpose.

The Company hereby represents and warrants as of the date hereof and covenants and agrees from and after the date hereof that it will enforce the provisions of each Other Leak-Out Agreement in accordance with its terms. If any party to any Other Leak-Out Agreement breaches any provision of such Other Leak-Out Agreement, the Company shall promptly use its reasonable best efforts to seek specific performance of the terms of such Other Leak-Out Agreement.

The Company hereby represents and warrants as of the date hereof and covenants and agrees from and after the date hereof that none of the terms offered to any Other Holder with respect to any Other Leak-Out Agreement (or any amendment, modification, waiver or release thereof) (each a "**Settlement Document**"), is or will be more favorable to such Other Holder than those of the Holder and this Leak-Out Agreement. If, and whenever on or after the date hereof, the Company enters into a Settlement Document, then (i) the Company shall provide notice thereof to the Holder promptly following the occurrence thereof and (ii) the terms and conditions of this Other Leak-Out Agreement shall be, without any further action by the Holder or the Company, automatically amended and modified in an economically and legally equivalent manner such that the Holder shall receive the benefit of the more favorable terms and/or conditions (as the case may be) set forth in such Settlement Document, provided that upon written notice to the Company at any time the Holder may elect not to accept the benefit of any such amended or modified term or condition, in which event the term or condition contained in this Leak-Out Agreement shall apply to the Holder as it was in effect immediately prior to such amendment or modification as if such amendment or modification never occurred with respect to the Holder. The provisions of this paragraph shall apply similarly and equally to each Settlement Document.
